

Lois Wythe Native Plant Grant Application 2020-2021

The Kinnikinnick Native Plant Society is offering a grant of up to \$300 for a Bonner County group, class or individual to complete a project which is designed to promote the awareness of native plants. Funds will be awarded based on originality and the potential effectiveness of the project. A report should be submitted by September 30, 2021, which outlines your accomplishments, including a plan for maintaining the project over time. You are invited to present your findings at a Kinnikinnick Native Plant Society Meeting in the fall of 2021. The grant recognizes Lois Wythe as the founder of our organization and developer of the Native Plant Arboretum in Lakeview Park in Sandpoint.

Name and Address of Applicant:

Contact name, phone number and email address:

Describe the project to be funded and how it will promote the awareness of native plants. Also provide the following information about the project:

Budget

Number of people who will participate

Number of people who will benefit

Time frame involved

If more than this grant of \$300 is needed to complete the project, how will additional funding be obtained?

Other organizations involved

How you plan to maintain the project

How you will measure your success in reaching the project goals

Mail completed application no later than January 15, 2021 to the Kinnikinnick Native Plant Society Grant Committee, PO Box 1092, Sandpoint, ID 83864. Questions may be directed to Judy Lyding at grant@nativeplantsociety.org. Additional forms may be downloaded at nativeplantsociety.org
