Proposed Expansion of the Trestle Creek Snowmobile Parking Facilities

Dear Mary Ann,

Several weeks ago I called you and left a message, hoping to get more information on the proposed parking expansion. My call was not returned.

In general, Kinnikinnick Chapter (KC) of the Idaho Native Plant Society favors focusing ORV travel on groomed trails. We are however, concerned with the potential expansion of the snowmobile parking area prior to completing a winter travel plan.

Please put us on the mailing list for this project.

Sincerely,

Molly O'Reilly
Conservation Committee Chair
